

Berberine 500 mg

Cardiovascular & Glycemic Support*

 **inwell**
BIOSCIENCES

Berberine 500 mg offers support for maintaining already healthy blood glucose metabolism, insulin and cardiovascular function.* Berberine has been found to aid in AMPK activation, a process which plays an important role in supporting a healthy metabolism.* With the addition of *Gynostemma pentaphyllum* and CoQ10, Berberine 500 mg provides powerful antioxidant protection and supports optimal vascular, immune and gastrointestinal health.*

One Capsule Contains:

- Berberine hydrochloride (from *Berberis aristata*) 500 mg (bark) extract
- Gynostemma pentaphyllum* (herb)..... 150 mg
- Coenzyme Q10 (ubiquinone) 50 mg

Other Ingredients: Hydroxypropyl methylcellulose (vegetable capsule), dicalcium phosphate, silicon dioxide, ascorbyl palmitate, magnesium stearate.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

Warning: If you are on insulin treatment or taking hypoglycemic medications, consult with your healthcare practitioner before using this product.

Directions: Adults take one capsule 1-3 times per day or as directed by your healthcare practitioner.
